

RABIKA HASSAN

Computer Science Student | Web & AI Developer

+92-303-212-2508 | rabikahassan23@gmail.com | Liaquatpur, Punjab, Pakistan

PROFESSIONAL SUMMARY

Motivated and detail-oriented Computer Science student at The Islamia University of Bahawalpur with hands-on experience in full-stack web development using Python, Django, and JavaScript. Passionate about AI integration and building intelligent, user-centric applications. Seeking an internship to contribute meaningfully to real-world software projects while continuing to grow within a collaborative, fast-paced tech environment.

EDUCATION

Bachelor of Science in Computer Science

The Islamia University of Bahawalpur (IUB)
Bahawalpur, Punjab, Pakistan

Expected
2026

TECHNICAL SKILLS

Frontend	HTML5, CSS3, JavaScript (ES6+)
Backend	Python, Django Framework
AI & ML	AI Integration, API Development, Natural Language Processing
Tools	Git, GitHub, REST APIs, VS Code

PROJECTS

AI-Powered Web Application | Python, Django, NLP, REST APIs

- Developed a full-stack web application using Django and Python with integrated AI capabilities.
- Implemented natural language processing and intelligent response generation through API integration.
- Designed RESTful API endpoints to enable seamless communication between frontend and AI backend.

Dynamic Frontend Portfolio | HTML5, CSS3, JavaScript

- Designed and developed a fully responsive personal portfolio website from scratch.
- Applied modern UI/UX principles including mobile-first design, smooth animations, and accessible layouts.
- Showcased projects, skills, and achievements with clean visual hierarchy and cross-browser compatibility.

Django Blog Platform | Django, Python, CSS, SQLite

- Built a multi-user blog platform with full authentication (registration, login, password reset).
- Implemented complete CRUD operations for posts and comments with role-based access control.
- Delivered a clean, responsive interface with intuitive navigation and user-friendly design.

CORE COMPETENCIES

- Analytical problem-solving & critical thinking
- Team collaboration & clear communication
- Self-motivated & fast learner
- Time management & attention to detail
